

- The following are the PEISAA Domino's Senior Basketball rankings as of Friday Jan 26.
- Identical records in games between themselves has, at the top of men's division, three teams tied for the #1 seed. Games in February will assist determining final rankings before playoffs.
- Senior teams are seeded based on their win/loss record, competitive strength of teams they have played in league and tournament games where both teams could win tourney, wins/losses against common opponents, etc. So, in some cases, teams listed here may be seeded higher than teams with better w/l record. Strength of schedule is often the key factor. At season's end, three divisions will be created based on seeding to determine which teams will play for "AAA", "AA" or "A" titles.
- In both men's and women's divisions the top 3 teams plus the winner of a #4 vs #5 quarter-final will determine the teams in "AAA". The "AA" teams include the loser of the "AAA" quarter-final game, #6 seed and the winners of quarter-final games between #7 vs #10 and #8 vs #9. The "A" category will have the losers of the "AA" quarter-finals as well as the winner of quarter-final games #11 vs #14 and #12 vs #13.
